ABOUT GOVERNMENT DEGREE COLLEGE, KHUMULWNG

Government Degree College, Khumulwng was established in 2007 to address the escalating demand for higher education in Tripura, situated at the administrative headquarters of the Tripura Tribal Areas Autonomous District Council (TTAADC), in a peaceful and lush green setting at Khumulwng, just 5 kilometers away from NH-8 (Assam-Agartala road). It is well-connected by road and has a sprawling campus.

The college is accredited with B Grade (2.07) by NAAC and offers undergraduate degree courses in Arts, with a total of eight major departments including Political Science, History, Bengali, Education, English, Philosophy, Hindi and Kokborok.

TWO-DAY NATIONAL SEMINAR ON

“Transforming Indian Education: Challenges and Opportunities in Integrating Digital Learning, AI, Skill Development, and Ethics under NEP 2020”

(HYBRID MODE)

24th & 25th September 2026

SPONSORED BY

Indian Council of Social Science Research (ICSSR), New Delhi

ORGANIZED BY

**Department of Education
Government Degree College, Khumulwng,
Tripura, India**

BRIEF INTRODUCTION ABOUT THE SEMINAR

This two-day national seminar will focus on digital learning, artificial intelligence, skill development, and ethics. It will examine twenty critical sub-themes. These include digital infrastructure, AI in education, teacher training, data privacy, multilingual learning, Indian Knowledge Systems, and inclusive education for rural, tribal, and differently-abled learners. The seminar will bring together scholars, educators, policymakers, and industry experts. It aims to generate practical and evidence-based solutions.

SUB-THEMES

1. Digital Learning Infrastructure: Access, Affordability, and Equity
2. Artificial Intelligence in Education: Personalization and Algorithmic Bias
3. NEP 2020 Implementation: Policy Gaps and Institutional Readiness
4. Skill Education in HEIs: Curriculum, Partnerships, and Employability
5. Skilling for Future Jobs: Industry, Green Jobs, and Digital Economies
6. Ethics of AI and Digital Surveillance in Student Assessment
7. Multilingual Education and Mother-Tongue Instruction: Role of AI Tools
8. Digital Divide: Caste, Class, Gender, and Regional Disparities
9. Teacher Training for AI-Enabled and Digital Classrooms
10. Mental Health and Well-being in Digital Learning Environments
11. Data Privacy, Student Rights, and Legal Frameworks for EdTech
12. Indian Knowledge Systems: Integrating Ethics with Innovation
13. Historical Evolution of Indian Education: Lessons for NEP 2020
14. Economic Analysis: Digital vs. Traditional Education
15. Industry-Academia Partnerships for Skill Development
16. AI-Powered Personalized Learning and Learning Analytics
17. Gender and Access to Digital Education
18. Role of Media and Social Media in Student Engagement
19. Environmental Sustainability of Digital Education
20. Inclusive Education: Rural, Tribal, and Differently-Abled Learners

CALL FOR PAPERS

We invite original research papers, conceptual articles, and case studies from scholars, faculty members, and research students on the mentioned sub-themes and other topics related to Seminar theme.

PAPER SUBMISSION GUIDELINES

Language & Format: English, MS Word format (.doc / .docx)

Length: Abstract (Max 250 words with keywords) | Full Paper (Max 3,000 words including Abstract & References)

Formatting: Font: Times New Roman 12 pt |

Line Spacing: 1.15 | Justified Alignment | Bold Headings

Referencing Style: APA Style (6th / 7th Edition)

PUBLICATION OPPORTUNITY & AWARDS

The seminar proceedings, comprising selected peer-reviewed papers, will be proposed for publication with *Springer Nature* (under their prestigious book series, such as Lecture Notes in Educational Technology or Springer Proceedings in Education).

In addition to the Springer proceedings, quality papers (including those not selected for Springer but meeting high academic standards) will be published as an *Edited Book by Chanakya Publishers, New Delhi* – a reputed publisher known for scholarly works in education, social sciences, and policy studies. Each such paper will receive an ISBN, and contributors will be provided with a copy of the published volume.

Ten best papers will be recognized with the *Best Paper Presentation Award* during the valedictory session. These award-winning papers will be given priority for inclusion in both the Springer proceedings and the Chanakya edited book, subject to quality checks and author compliance with publication guidelines.

TARGET AUDIENCE

- Academicians, researchers, and faculty members from all disciplines.
- Policymakers, educational administrators, and institutional leaders.
- Research scholars, post-graduate, and undergraduate students.
- EdTech innovators, technology developers, and industry practitioners.
